PRESENTATION

1949 marks the one hundredth anniversary of the great California Gold rush. The theme of our "Mirror" this year is therefore a timely as well as an interesting one. We have attempted to parallel the search for education in high school with the quest for gold in the days of the "49ers".

We hope that you will enjoy our yearbook as much as we enjoyed presenting it to you.

Senior Class

Out of 122 students who entered Memorial as freshmen, 81 have reached the ultimate goal of all high school students. Graduation!

During these four years, besides maintaining a high scholastic standard, our class has participated in many extra-curricular activities. Many of our members have been outstanding in the field of sports. A great number of our musicians have been active in the band, choir and the ensemble groups. The Thespian Club served as an outlet for many of those with acting ability. We were well represented in the many other clubs and organizations open to the students, such as Y-Teens, "M" Club, Salesmanship Club, F. F. A., Scholarship Team, Future Teachers' Club, Mirror Staff, and the Live Wire Staff.

Thus another class has finished its high school career at Memorial. Perhaps we haven't accomplished much that will go down in history, but we've been a good average class. These years will remain in our memories as four of the happiest ones of our lives.

RETROSPECT

Looking back over the years of high school, one finds it hard to believe that four years could have passed so quickly; that now it's all over; and that we've slammed the last locker door and "sweated" over the last theme.

We'll never forget the days at Memorial, for they have comprised an important part of our lives. They have been the days of preparation for a lifetime ahead.

I recall it was hot for September, but we didn't mind the heat. We were walking down the halls of M. H. S. for the first time as freshmen and everything was new and strange. Some of us came with eagerness, some with apprehension, but all with the sense of sudden maturity—of being grown up—that comes with the new status of "high school kids." It didn't take long to make adjustments, and soon there was a sense of belonging, and the days sped by until lo-and-behold one fine morning we were sophomores.

The sophomore year was possibly the happiest of our school lives, for we enjoyed the excitement and novelty of each passing day without the timidity of freshmen nor yet burdened by the responsibilities and anxiety of upperclassmen.

As we entered our junior year most of us had begun to "level off" to a noticeable extent. A more mature outlook had been adopted by most of us and a more serious attitude about school work became evident in the most of the classes. Unlike the unsteady step of freshmen or the happy bounce of sophomores we walked with a calm, more confident tread.

At long last, Seniors! The ultimate goal as students! Our senior year was so filled with activity that in retrospect all one can recall is a whirlwind of successive events with graduation as the climax.

Perhaps we haven't been the most outstanding class ever to graduate from M. H. S., but we have been above average. The personalities and mentalities of our 81 members are as varied and interesting as any class ever in Memorial. There has been much earnest effort and consequent accomplishment by the class of "49", but as all good things must end so must high school. We've had fun. They were four good years, characterized by the exciting, energetic, pace of youth. They have given us memories we'll never grow tired of reflecting upon. And though some of us may never meet again, we will always be 81 people held together by an inimutable mutual bond—we graduated together.

Junior Class

The three varsity cheerleaders were juniors. Congratulations to Mary Holtzhauer, Ruth White, and Betty Lynch for their splendid work.

Our efforts were not confined to sports alone. We realized the value of education and worked to make ourselves known in that direction. As a result, a number of juniors were on the Scholarship Team, many of them making high scores on the tests.

In November, the annual class play was presented. This year we gave "A Date With Judy," to a packed house. After the play, several members of the cast were eligible for initiation into the Thespians. A few of these were also in the Thespian Play.

The Class of '50 was responsible for one very important issue concerning class rings. Instead of having a different style ring every year, we voted to have a standard class ring. When they arrived in March, we were certain we had not made a mistake.

The reception was the climax of an eventful year. The juniors, as hosts, gave the seniors a glimpse of "Blue Heaven", as a last reminder of Memorial.

We came close to realizing our ambition. Next year, by using the knowledge we gained this year, we hope to succeed fully.

This year 79 students returned to the halls of Memorial with a new gleam in their eyes. Upperclassmen at last! We soon settled down, resolved to make our's the best Junior Class in school history.

We elected our officers soon after school started. At a class meeting, with the aid of our sponsors, Miss Frey, Miss Geiger, and Coach Barber, we chose the following people to lead us through the year:

President	Ronald Fite
Vice-President	Harmon Dunathan
Secretary	Petie Springer
Treasurer	Beverly Burger

Harry Stolte, Eddie Eberle, Jim Krogman, Wilda Dicke, Doris Chivington, and Betty Lynch were chosen to represent our class on the Student Council. We elected Don Beckett as assistant editor of the "Mirror", and Chester Thompson as assistant business manager. These two will become editor and business manager in their senior year.

The juniors were active in almost every phase of school life. Many of our class members were in such organizations as band, choir, and Y-Teens. In the field of sports we were well represented, with special emphasis on the football team. Nine of our junior men were football players, doing their share to make the team a success.

Sophomore Class

President	Robert Toben
Vice-President	Theodore Johnson
Secretary	Anna Hegemier
Treasurer	Thomas Clark
Advisers	Miss Dunan, Mr. Young, Mr. Steva

In September, 1948, ninety-four sophomores entered Memorial High for their second year of high school. It was hazardous, though, and we had to be careful not to be trampled upon by the new freshmen who were rushing up and down the halls vainly hunting for their classrooms.

As the months passed by, many events took place. Three of our boys won letters for football. The band and choir, in which many sophmores participated, gave a concert at Christmas time. In January we sophmores took examinations, and passed these with flying colors. Many of our group were in the Latin Club and the Salesmanship Club. Several of our boys were in the F. F. A. One of our boys won a letter in basketball. In the spring, several of our members won places on the scholarship team.

Now as we look back over sophomore year, we realize that we are just on the threshold of our education and are looking forward to our junior and senior years when we shall play an even greater role in school life.

Freshman Class

We were, as we suppose, every other preceding class has been, virtually greenhorns, when we entered Memorial for the first time. Though we were truly "freshmen", we had had enough experience to elect, with the help of our sponsors, the officers for our class. They are the following:

President	Edward Raudabaugh
Vice-President	Mary Jo Kuenzel
Secretary	Leora Worthington
Treasurer	James Miller
Sponsors	Miss Orphal, Miss Slabaugh and Mr. Dennings

We have begun to take an active part in the extra curricular activities and we are getting along very nicely. Meanwhile we have not neglected our studies because many of the pupils of the freshman class have made the honor rolls and scholarship teams.

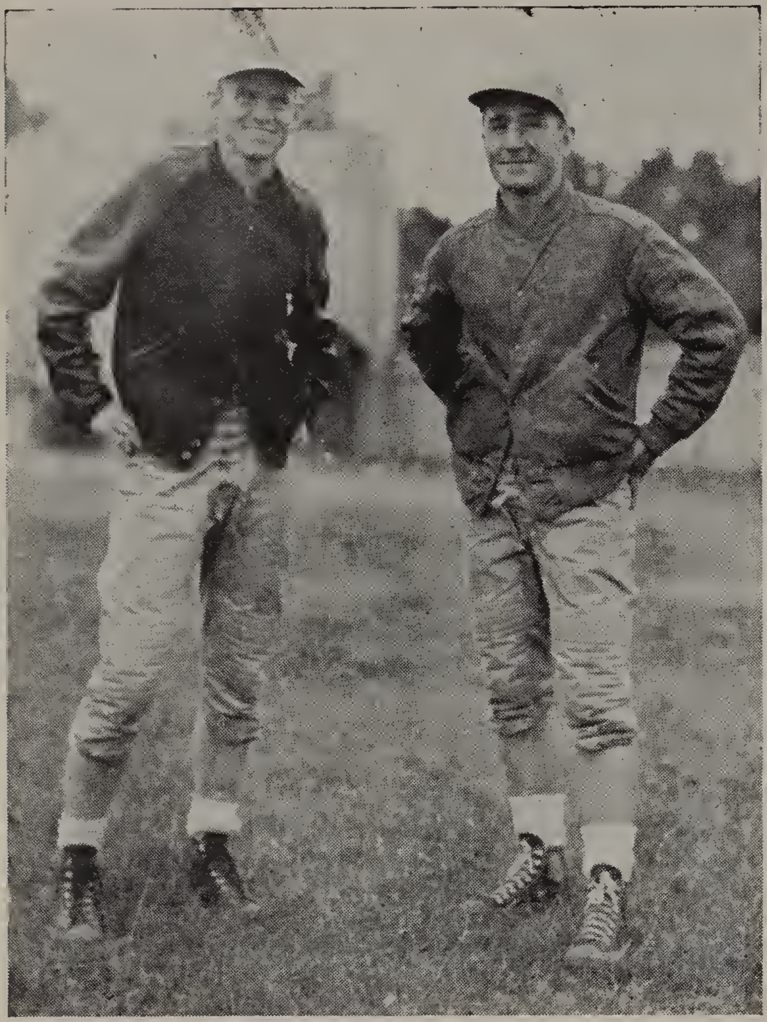
The rough and tumble life of the "49ers" is portrayed by Memorial's Roughriders as they gallop into battle as football, basketball, and baseball teams, to fight it out with St. Marys' opponents.



Varsity Football

Mr. Barber coaching the backfield and Mr. Dennings working on the line coached our team through a tough year. Bad breaks seemed to dog the team throughout the season but more than once defeat was turned into victory as Coaches Barber and Dennings directed the Roughriders over an exciting season.

The students express their sincere appreciation to Mr. Barber and Mr. Dennings for their work in the Athletic Department.

1948 FOOTBALL SEASON

Greenville 18—St. Marys 2

An inexperienced and outweighed Memorial team fell before the Green Wave after a stiff battle. The fight and drive exhibited by the Roughriders, later was to win them games.

Kenton 34—St. Marys 13

A smooth Wildcat team overpowered the Roughriders in the first league contest of the season.

Coldwater 7—St. Marys 0

An intercepted pass, early in the game, resulted in the only score. Thereafter the two squads battled evenly.

St. Marys 13—Celina 7

The Roughriders outdrove Celina to win their first victory of the season and also a league game.

Urbana 19—St. Marys 13

The Memorialites succumbed to Urbana after losing a battle with time. This game opened athletic relations with the Hilltoppers.

St. Marys 13—Bluffton 7

Before a Dad's Night crowd, St. Marys downed Bluffton for their second league win.

St. Marys 25—Bellefontaine 6

The Roughriders galloped to their third league win as a disappointed Bellefontaine Homecoming crowd looked on.

St. Marys 6—Van Wert 6

Playing on a field of mud, the Cougars and Roughriders battled to a tie. As a result the two teams remained tied for second place in the league.

St. Marys 20—Wapakoneta 7

By downing their traditional rivals, the Roughriders clinched second place in the league and finished their season.

1948-49 BASKETBALL SEASON

Greenville—46 St. Marys—44. A promising Roughriders' quintet was edged by the Green Wave in the closing seconds.

St. Marys—48 Kenton—37. A sudden scoring spree in the final quarter gave St. Marys their first league win of the season.

St. Marys—42 Troy—40. Again the Roughriders downed a foe in the final quarter. Free throws gave St. Marys the edge.

St. Marys—57 Wapakoneta—34. The hopeless Redskins were trampled by the Roughriders in a runaway game. This was St. Marys' second league win.

St. Marys—48 Sidney—37. St. Marys made it four in a row as they downed the Yellow Jackets in a non-league game.

St. Marys—48 Ada—36. After a ragged start, St. Marys took the lead and never was headed.

St. Marys—43 Van Wert—37. The Roughriders quintet won their third league contest by edging a fighting Cougar team.

St. Marys—59 Coldwater—40. The issue was never in doubt as St. Marys romped to its seventh straight win.

Bluffton—58 St. Marys—56. A basket by Wilch of Bluffton in the second overtime period downed St. Marys for their first league loss in two years.

St. Marys—69 New Bremen—49. Stung by their loss in the previous game, St. Marys swamped the Cardinals in a non-league game.

Bellefontaine—56 St. Marys—54. The Chieftains shattered all chances for a second league crown as they edged the Roughriders in an overtime.

Defiance—47 St. Marys—43. Playing far below their usual form, St. Marys dropped their second contest in a row.

Lima South—59 St. Marys—49. Outclassed for the first time in the year, St. Marys lost to their Lima rivals.

St. Marys—53 Celina—51. Playing inspired ball the Roughriders blasted Celina's hopes of a league co-championship.

St. Marys—40. Piqua—39. St. Marys edged Piqua to end the season with a record of ten wins and five loses.

Lima Central—45 St. Marys—35. In their first tournament contest St. Marys met defeat at the hands of another Lima team.

MEMORIAL 10

CHEER LEADERS

Memorial's cheering section for the 1948-49 season was led by Mary Holtzhauer, Betty Lynch and Ruth White. These three girls have worked long and faithfully in their job of boosting the Roughriders. They have supported the teams through victory and defeat with enthusiasm and earnestness.

Each girl has received a cheerleader award for her efforts. With these awards go the thanks and praise of all the students.

LEFT TO RIGHT: Ruth White, Mary Holtzhauer, Betty Lynch.

FIRST ROW: LEFT TO RIGHT: Dean Cook, Ted Johnson, Dave Anderson, James Cook, Bill Wilges, Charles Nelson.
SECOND ROW: LaVein Menker, Dick Mowery, Sam Sanford, George Samson, Gene Shives, Bill Suchland.
THIRD ROW: Fred Fisher, Ronald Fite, Roger Glass, Fred Mackenbach, Larry Dieringer, Roger Hegemier, Ned England.

BASEBALL

In 1948 a Western Buckeye Baseball League was formed. Five teams entered as members. These were Van Wert, Celina, Wapakoneta, Kenton and St. Marys.

At the end of the season Memorial's nine found themselves in second place. Their only league loss was to Celina. Following are the league scores:

St. Marys 6 — Van Wert 3
St. Marys 5 — Celina 7
St. Marys 16 — Wapakoneta 3
St. Marys 11 — Kenton 3

1948 tournament play saw the Roughriders eliminated by Lima South in the semi-finals.

Prospects for a successful season in 1949 were, at the time of this writing, very encouraging. Memorial had won its first league encounter from Van Wert and was preparing dilligently for the remaining games.

RESERVES

The strength of Memorial's future teams depend upon the development of the Junior Roughriders. These boys play an important part in Memorial's athletic activity. They have played hard and practiced faithfully in their efforts to develop into top teams in both basketball and football. Some of these boys will be the stars of future year's inter school competition. (Note due to an error a picture of the football reserves was not taken.)

MIRROR STAFF

Again the task of preparing the "Mirror" has been completed. We selected the theme of our book to honor and commemorate the heroism of the pioneers of 1849.

After experiencing some difficulty in getting their plans into action, the staff members with the help of Mr. Van Cleve and Mr. Kohler have been able to publish a yearbook which they believe will become one of your most highly prized possessions.

We of the Mirror staff wish to express our gratitude to the students, sponsors, and teachers for their co-operation in publishing the 1949 "Mirror".

THE JOURNALIST

On that bright September morning of '48, eighteen enthusiastic amateur reporters, carrying a pad and pencil, set off in search of news. Yes, we were reporters. We had long heard and read that "news is where you find it", so it was our duty to accept the challenge.

After a summer's vacation, we vigorously began our new assignments. Each journalist cheerfully carried out his task as new experiences were gained.

Next to the students themselves, **The Live Wire** is the best advertisement of the school and the principles for which it stands. Through reading its pages each week, a reader can form an idea of the work done by the The Live Wire Staff, such as, collecting the news from assigned beats, writing the articles from their own points of view, and giving it to our copyreader for inspection. The typist then has the job of typing the articles which are corrected for the press. After the proof is out, the proofreader makes all necessary corrections.

Although we worked hard to produce a good paper, we also devoted much of our time to the textbook and workbook. We were taught to get the news and to get it right without expressing our own opinions.

The work throughout the year was thoroughly enjoyed by all the journalists, and through the pages of **The Live Wire** we hope you "treasure" in years to come all we have endeavored to portray to you, our parents and classmates, of an inside glimpse of our school life and activity here at Memorial High School.

The Memorial High School Choir, under the proficent direction of Emma M. Kohler, has had an interesting, enjoyable, and profitable year.

The Choir members have worked diligently and have enjoyed singing songs of great variety; sacred, classical, spirituals, novelties, and selections from light opera. They have acquired greater power in singing and perfecting songs and have learned to appreciate fine music.

Many ensembles and soloists from the Choir were in great demand and have sung not only in the High School, but also for Churches and many other organizations within the community, in addition to regularly scheduled appearances on Armistice Day, sessions of the Community Institute, and High School assemblies.

The Choir sponsored a concert given by the Cincinnati Conservatory of Music, presenting their Young artist Concert Series, in the MHS Auditorium, October 12, 1948, to a large, appreciative audience.

On December 21, 1948, the instrumental and vocal departments joined in giving a beautiful Christmas Concert.

This highly successful year culminated in the presentation of the Annual Spring Concert, given April 8, 1949, in the High School Auditorium. For this lovely concert, the Choir members wore new robes, which added a touch of dignity and beauty to the presentation.

HIGH SCHOOL BAND

The high school instrumental organizations enjoyed a very successful and busy year under the direction of Richard Schilling. From the County Fair in August until the Memorial Day Parade, the band members were continually working for some program or special event.

The 90 members of the marching band performed at all the home football games and traveled to Greenville and Kenton. Drum Major Dick Hudson received the applause of the fans for his strutting ability as he brought the band down the field. Due to the fine co-operation of band members at the extra night rehearsals, many picture formations, novelties and colored-light outlines were presented.

The 80 piece concert band made its first appearance at the Christmas concert in December. This program presented the combined vocal and instrumental groups in a concert of sacred and seasonal selections .

On March 24-25 the concert band presented its eighth Spring Concert under the direction of Mr. Schilling. 1,387 persons heard the two programs and proclaimed it one of the best ever given by the high school band. A full hour of the concert was broadcast over WONW, Defiance, on the afternoon of March 27.

On April 9th the concert band journeyed to Springfield to participate in the West District Auditions. The three judges from Ohio State, Oberlin, and Bowling Green each gave the band the highest possible rating it could receive, a superior. At this writing the band is looking forward to playing in the State Finals at Columbus on May 14th.

On May 13th our high school band was host to the 622 members of the Western Ohio High School Band Festival Association. Prof. William McBride of Ohio State University will be the guest conductor for the massed concert.

Many of the ensembles organized from the band personnel presented programs for the Rotary Club, Community Institute, church organizations, lodges and social activities in St. Marys and vicinity .Five of the ensembles and Jane Nicodemus, flute soloist, participated in the West District Auditions on March 26th. The clarinet trio and clarinet quartet received superior ratings and will go to the State Ensembles Finals in Columbus on April 30th. The flute quartet, flue soloist, woodwind quintet and brass quartet each received an excellent rating for their fine performance.

Joe Donnerberg served as president of the band during the year.

Flowers: Yellow rose and blue delphinium.

Memorial High School was granted a charter by the National Thespians Dramatic Society on January 1, 1945, and since that time our troupe has endeavored to stimulate further interest in dramatics among the high school pupils.

Each year we have a formal initiation ceremony which helps the pupils and teachers to learn more about our organization. This year seventeen juniors and seniors came in as new members at the ceremony in December.

Regular meetings are held by the troupe to plan activities and to discuss the articles reviewed from the Dramatics magazine.

This year the Thespians presented programs for two school assemblies and also a 3 act play, "Our Hearts Were Young and Gay," for the public. Receipts from this play will be used for purchasing stage equipment.

Since the Thespian Club is an honorary organization, the only social event is the Banquet given in May. At this time, the person deemed most worthy by vote of the troupe, is named "Best Thespian" and is awarded a Thespian letter.

Honor Thespians, seniors with fifty points or more, receive honorable mention.

SCHOLARSHIP TEAM

The state testing program consists of the December and April Every Pupil Tests and the Preliminary and Final District-State Tests.

In the final District-State Test a student is permitted to take only one test. Students selected for this honor are those who have shown an interest in the subject by taking the Preliminary District-State Tests and by making special preparations through intensive study in the particular subject for which they were selected.

The primary objective of this series of tests conducted annually at M. H. S. is the motivation of a larger number of students to greater interest in education and to more intensive application to their studies. The rank of the contestant and the record of his participation becomes an important item on the permanent record card as evidence of scholarship and achievement.

SALESMANSHIP CLUB

The Salesmanship Club held its organization meeting on September 8, 1948, in Room 17. The newly organized group proposed to follow the aim of the club for the six previous years of its existence. They agreed to try to serve the school and community by selling worthwhile ideas, and to study modern selling trends.

The club met twice a month. Interesting and informative reports were given on the importance of salesmanship to an individual, a community, and a nation. Success stories of outstanding salesmen were given. The value of personality, ways of developing it, and its importance in getting and keeping a job were emphasized in other reports.

The principles of salesmanship which were studied throughout the year were put into practice when the club members served as ushers for the Thespian Play, on March 11. They also made a contribution to the Cap and Gown Fund.

The social activities of the club were greatly enjoyed. A Halloween frolic at the Hi Spot was the high light of the fall season. A Christmas party was enjoyed at Memorial High School just before the holidays. A spring outing at Lake St. Marys Shelter House ended the year's social activities. Officers who guided the club through the successful 1948-1949 school year were:

STUDENT COUNCIL

President	Tom Brodbeck
Vice-President	Joanne Hoselton
Secretary	Janet Sorgen
Treasurer	Wilda Dicke

The student council is made up of representative students elected by the student body. It is a service group working with and through other organizations. Our practical aims have been: to support athletic activities, promote musical activities, sponsor assembly programs, welcome and introduce new students to the faculty and school, promote greater interest in drives and campaigns in the school, aid in the protection and care of school property, and assist the faculty in making school life more profitable.

This year under the careful guidance of Mr. Hurley we have succeeded in paying part of the cost of the intercommunicating system, purchasing a glass enclosed bulletin board for the lower hall, providing mirrors for the restrooms, and buying records that can be played over the intercommunicating system for entertainment and school sponsored dances. We also have sold programs at the football games, sold basketball schedule pencils, sponsored dances, chosen reserve cheerleaders, helped select the standard M. H. S. class ring, operated concessions at the basketball games and sponsored assembly programs, some of which were John Dallavaux, who spoke on "Manners"; Dr. Cutshall, whose topic was, "Crime and Temperance"; Milkanth Chavre, who spoke to us about India; "The Wade Quartette"; "The Vagabond Trio"; and a "Blind Concert Program."

LATIN CLUB

"Non Sibi Sed Omnibus"

President	Robert Hirschfeld
Vice-President	Robert Cogan
Secretary	Jo Anne Davis
Treasurer	Betty Broerman

Under the able leadership of Miss Codington, seventeen members of the Latin Club started this school year. We held our meetings on the second and fourth Monday of each month. During these meetings, we gave reports and playlets and enjoyed games that taught us much about the customs of the Romans.

A member of the Latin Club may be recognized by the small silver pin which he or she wears. On the pin are the letters J. C. L., which stand for Junior Classical League with which the Latin Club is affiliated. The Junior Classical League is a national organization associated with the American Classical League.

The Latin Club this year had, as is the custom, a Roman banquet. We wore togas or stolas and ate our banquet reclining on cots as the ancient Romans were wont to do. Our banquet was served to us by slaves, members of the freshman Latin class, who are looking forward to next year when they will have their turn at being Roman matrons and men.

The high light of the year is the Latin Open House, because it was our opportunity to show the public what we had learned about Roman customs, language, and life. We gave a program, to which our parents and other interested people were invited, and afterwards went to Room 12 where the projects we had made were exhibited. These projects informed the visitors further about ancient Rome and the Romans.

It has been the custom for the Latin Club to present annual gifts to the Latin department. This year we bought a picture and books for our Latin Library.

SECOND ROW: Miss Codington, Shirley Cook, Janet Tigner, Hazel Allman, Ann Shultz, Janet Sorgen, Lora Herm, Jane Nicodemus, Phyllis Steve.

THIRD ROW: Thomas White, Joe Meckstroth, Bruce Bubp, Thomas Clark, Ted Johnson, George Place.

"M" CLUB

The 1948-49 Varsity "M" Club has a membership of twenty-five. The greater percent of the members gained admittance to the organization through football participation. Nineteen members have earned monograms in football, seven each in baseball and basketball and three as managers. Larry Dieringer is the leading monogram winner of the organization. He has collected three in baseball, two in basketball and two in football. Fred Mackenbach, who participated in only two inter-scholastic sports received the second highest number of "M" awards.

Twelve of the members will graduate with the class of '49, eight are juniors, and four are sophomores.

The "M" Club selected Larry Dieringer to direct the organization as president; Fred Fisher as vice-president; and Ned England as treasurer. The club is sponsored by Coach Barber.

Y-TEENS

We, the Y-Teens of Memorial High School, started the year right by having a record membership of sixty-six. Our symbol is the combined blue triangle and elongated globe. The globe signifies a world organization and each side of the triangle represents one of the three phases: body, mind, and spirit.

In accordance with our first phase, health, our club provided various social activities during the school term to balance our class work. These included an informal party in the fall which contrasted favorably with the impressive formal initiation held at the Baptist Church a few weeks earlier. At our Christmas party we exchanged many lovely gifts. In the spring we entertained our mothers with a special tea. The junior and senior girls honored each other with a pot luck. The seniors were also treated to a breakfast as a farewell gesture.

Relative to our second aim, mental stimulation, our regular meetings were enlivened with interesting, informative talks by local citizens and panel discussions conducted by the girls themselves. The topics concerned problems of interest to teenagers in the world of today.

For spiritual growth we had devotions at each meeting. During Holy Week we sponsored services for the school each morning. These various activities helped us to develop a better understanding of ourselves, others and God.

In the line of service, we used the money we received from football concessions and dues to buy gifts for a little orphan and to contribute to her support.

FUTURE FARMERS OF AMERICA

The F. F. A. is an organization of farm boys studying vocational agriculture. The primary aim of this organization is the development of agricultural leadership, co-operation, and citizenship. Some of the purposes of the F. F. A. are: to develop competent agricultural leaders, to strengthen the confidence of farm boys and young men in themselves and their work, to encourage the development of individual farming programs, to promote the conservation of our soils, to encourage the improvement of the farmstead, and to encourage many other worthy undertakings for improving agriculture.

During the past year, the local chapter has participated in state judging contests, public speaking and parliamentary procedure contests, and recreation activities, such as hayrides and skating parties.

The chapter sponsors an annual father and son banquet, which has as its purpose, the encouragement of better comradship between father and son.

These officers have guided the chapter efficiently through the past year:

Charles Waesch	President
Roger Hegemier	Vice-President
Tom Vogel,	Secretary
Robert Blew	Reporter
James Hoenie	Sentinel
Mr. Hasler	Advisor

FUTURE TEACHER'S CLUB

Because of the shortage of teachers, the "Future Teachers' Club" was organized under the sponsorship of Mr. Hurley. The club had fifteen charter members. The officers were:

President .... Alice Nott
Vice-President .... Mary Jo Suchland
Secretary .... Jane Nicodemus
Treasurer .... Leora Worthington

The goals of the club were "to unite the common interest, stimulate the ambition to teach, promote the idea of teaching to others, foster a better understanding between students and faculty, and gain practical knowledge in the field."

The organization, besides adopting a constitution, sent some of the upper classmen visiting in the grade schools, furnished substitute teachers on occasion and affiliated with the state and national association.

We feel that we have made a good beginning and in the future will grow to meet a very real need in our community and school life.

MARCH

2—St. Marys is defeated in the district tourney by Lima Central 45-35. That's all!

5—All's quiet on the home front.

9—55 scholars make honor roll.

11—Play by Thespians. Laugh? I thought I'd die.

16—Blind Concert—Assembly. Very good!

22—Assembly—Men's Glee Club from OSU. The music was pretty, too.

24-25—Band Concert. Wonderful!

30—Assembly—Coach Barber awards 7 basketball letters and 3 cheerleading awards. Congratulations!

APRIL

7—MHS defeats Van Wert 5-3 in a baseball thriller.

8—Choral Spring Concert. Nice work!

8—Preliminary District State Tests.

14—Celina wins over Memorial 12-7. How did that happen?

15-18—Easter vacation. Ya' wanna buy a bunny?

19—MHS vs St. Henry. Rain, no game.

21—Redskins win over MHS 8-7.

28—Kenton vs Memorial. Here

29—Senior Class play "You Can't Take It With You."

MAY

7—Final District State Test. Good luck!

13—Band festival.

16-17—Senior exams. Ouch!

20—Junior-senior prom. "Oh, how I hate to get up in the morning."

22—Baccalaureate service.

24-25—Exams.

26—Grading—Commencement.

27—Last day of school. Whew! Didn't think we'd make it!
